

Eileen Olejarski of SunCoast Real Estate earns SRES designation from association

Eileen Olejarski with SunCoast Real Estate Group has earned the nationally recognized Seniors Real Estate Specialist designation from the Seniors Real Estate Specialist Council of the National Association of Realtors.

Olejarski joins more than 15,000 real-estate professionals in North America who have earned the SRES designation. All were required to successfully complete a comprehensive course in understanding the needs, considerations, and goals of real-estate buyers and sellers aged 55 and older.

“Working with seniors to meet their housing needs requires an expert understanding of their lifestyle and financial needs, and the SRES designation means that a Realtor has that understanding,” said Olejarski. “Whether they are buying, selling, relocating or refinancing, seniors can be confident that a Realtor designated SRES will be able to help them every step of the way.”

Olejarski can be reached at 508-1911 or EileenSellsBrevard@outlook.com.

Lori Scott’s office raises more than \$20,000 to feed Brevard’s children

VIERA — Nine years ago Lori Scott, Brevard County Supervisor of Elections, started “Vote to End Childhood Hunger,” a bake sale to raise funds to help feed children over the summer who lose access to nutritional meals.

Through the years, the bake sale has grown to include raffle baskets, a 50-50 raffle, and an annual “Election Office” cookbook.

“Because of the enthusiasm and commitment of my team, this year’s bake sale was a huge success,” said Scott. “My office proudly donated a check for \$3,643.69 to Project Hunger’s Feed & Read program, bringing our total over the last nine years to more than \$20,000.”

The funds raised afford Project Hunger the ability to purchase fresh fruit and vegetables, as well as food packs for more than 3,600 area children. In addition, each child receives a free book to help maintain their reading skills over the summer.
