

BREVARD COUNTY • COCOA, FLORIDA – Supervisor of Elections Lori Scott donated school supplies to benefit disadvantaged students in Brevard public schools.

APPROXIMATELY 2,500 CHILDREN ENROLLED IN THE FREE OR REDUCED LUNCH PROGRAM WILL RECEIVE NEW BACKPACKS

“Thanks to organizations like the Brevard County Supervisor of Elections, we will be able to provide school supplies to thousands of children in need,” stated Elizabeth Schreiber, Supply Zone Program Manager.

“Not only did the Supervisor’s office collect donations, they also helped us pack supplies in preparation for the event. Thanks to their support and dedication, we can help more children start the school year off right feeling confident and prepared.”

Approximately 2,500 children enrolled in the Free or Reduced Lunch Program will receive new backpacks filled with school supplies.

They will also be given lunches, books, brief dental screenings, eye and diabetes screenings, gift certificates for haircuts, and other benefits.

“My staff and I are always so pleased to help these students start the school year off with the supplies needed to help them succeed,” said Scott.
